

Skip Countin'

Lyrics by Sara Da Silva and Melanie Paton
Music by Sara Da Silva, Melanie Paton, and Gary Rasberry

Chorus

Skip countin', We'll be skip countin'
I can skip with you, you can skip with me,
We can skip by two, we can skip by three,
We can skip by any number we please.

Let's start with two, me and you
Next comes four, Let's add some more
6, 8, and 10, Grab all your friends,
and do some skip countin' with us.

Chorus

Let's start with three, You, Sally, and me
Next comes six, Add some more to the mix,
9, 12, 15, Let's hear you scream!
And so some skip countin' with us.

Chorus

You can skip forward
You can skip down
Don't be afraid
It's not as hard as it sounds.

2, 4, 6, 8, 10
10, 8, 6, 4, 2
Gloves, mittens, socks, and shoes,
Are some examples for you

3, 6, 9, and 12
Next would come fifteen
Turn around and go down,
That's 12, 9, 6, and 3

Skip countin', We'll be skip countin'
I can skip with you, you can skip with me,
We can skip by two, we can skip by three,
We can skip by any number we please.

We can skip by two, we can skip by three,
We can skip by any number we please
We can skip by any number we please
