

# Kingston Literacy & Skills

## *Poverty Challenge material review*

To apply for this Alternative Practicum Opportunity, please submit a cover letter stating why this position is of interest to you and a recent resume to the Queen's Education Community Outreach Centre, at the e-mail address provided.

The Poverty Challenge is an event offered to all Faculty of Education students, Faculty of Medicine students, and high school students from across the Kingston area. It will soon be provided as well to the Ottawa Carleton School Board high schools. The profiles used to represent people living in poverty for this event all connect to specific government policies, and agency protocols. The Poverty Challenge Working group is a volunteer driven group, and would like someone to review all materials provided to Poverty Challenge participants, and update them. If there are additional materials/resources the candidate feels they can develop, those would be welcome too.
