

# Museum of Healthcare

**Do you have a passion for history & science?**

To apply for this Alternative Practicum Opportunity, please submit a cover letter stating why this position is of interest to you and a recent resume to the Queen's Education Community Outreach Centre, at the e-mail address provided.

While at the Museum of Health Care Alternative Practicum Student will work in collaboration with other Visitor Services staff to:

- Observe and facilitate curriculum-connected programming including programs for grades K-12, university classes, adults and families
- Assist with visitor services by learning about healthcare history from our gallery tour scripts and then welcoming and interacting with visitors of all ages
- Research and design a health-themed interactive booth which the Museum will use at this year's *Science Rendezvous Kingston*
- Research and contribute to an education program about Indigenous holistic medicine
- Create add-on assessment activities for the Museum's education programs.
