

The Royal Military College of Canada

Do you have a passion for science?

To apply for this Alternative Practicum Opportunity, please submit a cover letter stating why this position is of interest to you and a recent resume to the Queen's Education Community Outreach Centre, at the e-mail address provided.

While at The Royal Military College, B.Ed. candidates will have the opportunity to pair up with a mentor: Dr. Jennifer Scott (Inorganic Chemistry), Dr. Kela Weber (Environmental Engineering), Dr. Emily Corcoran (Nuclear Engineering) to design an activity, poster and hand-out for *Science Rendezvous Kingston 2017*.

Tentative Projects include: DNA threats; Green chemistry; Making an ecosystem; Watershed biodiversity; Forensic science: *Who is your daddy?*; Phytoremediation; Bacteria: The powerhouse of human development?; Nanomaterials: Can small scale chemistry solve large scale problems?; and Microbial electrochemical cells: Turning wastewater into energy and fuel. Or do you have another idea?
