

AERA AUTISM SPECTRUM RESEARCH COMMITTEE PRESENTS:

## Re·Storying Autism at the Intersections: A Multimedia Storytelling Project

with *Dr. Patty Douglas*

Patty Douglas is an Associate Professor in the Faculty of Education at Brandon University, Manitoba, Canada. Her research focuses on disability, autism, mothering, and care. Her talk will introduce *Re·Storying Autism in Education*, an international multimedia storytelling project located in Canada, England, and New Zealand. This story brings together autistic and allistic educational stakeholders—teachers, practitioners, researchers, artists, family, and students—in storytelling workshops to build alliances and intervene in legacies of deficit-based approaches to autism in education and health. Preliminary project findings will be discussed.
