

PhD IN EDUCATION RESEARCH PROPOSAL

To Be Completed by Applicant

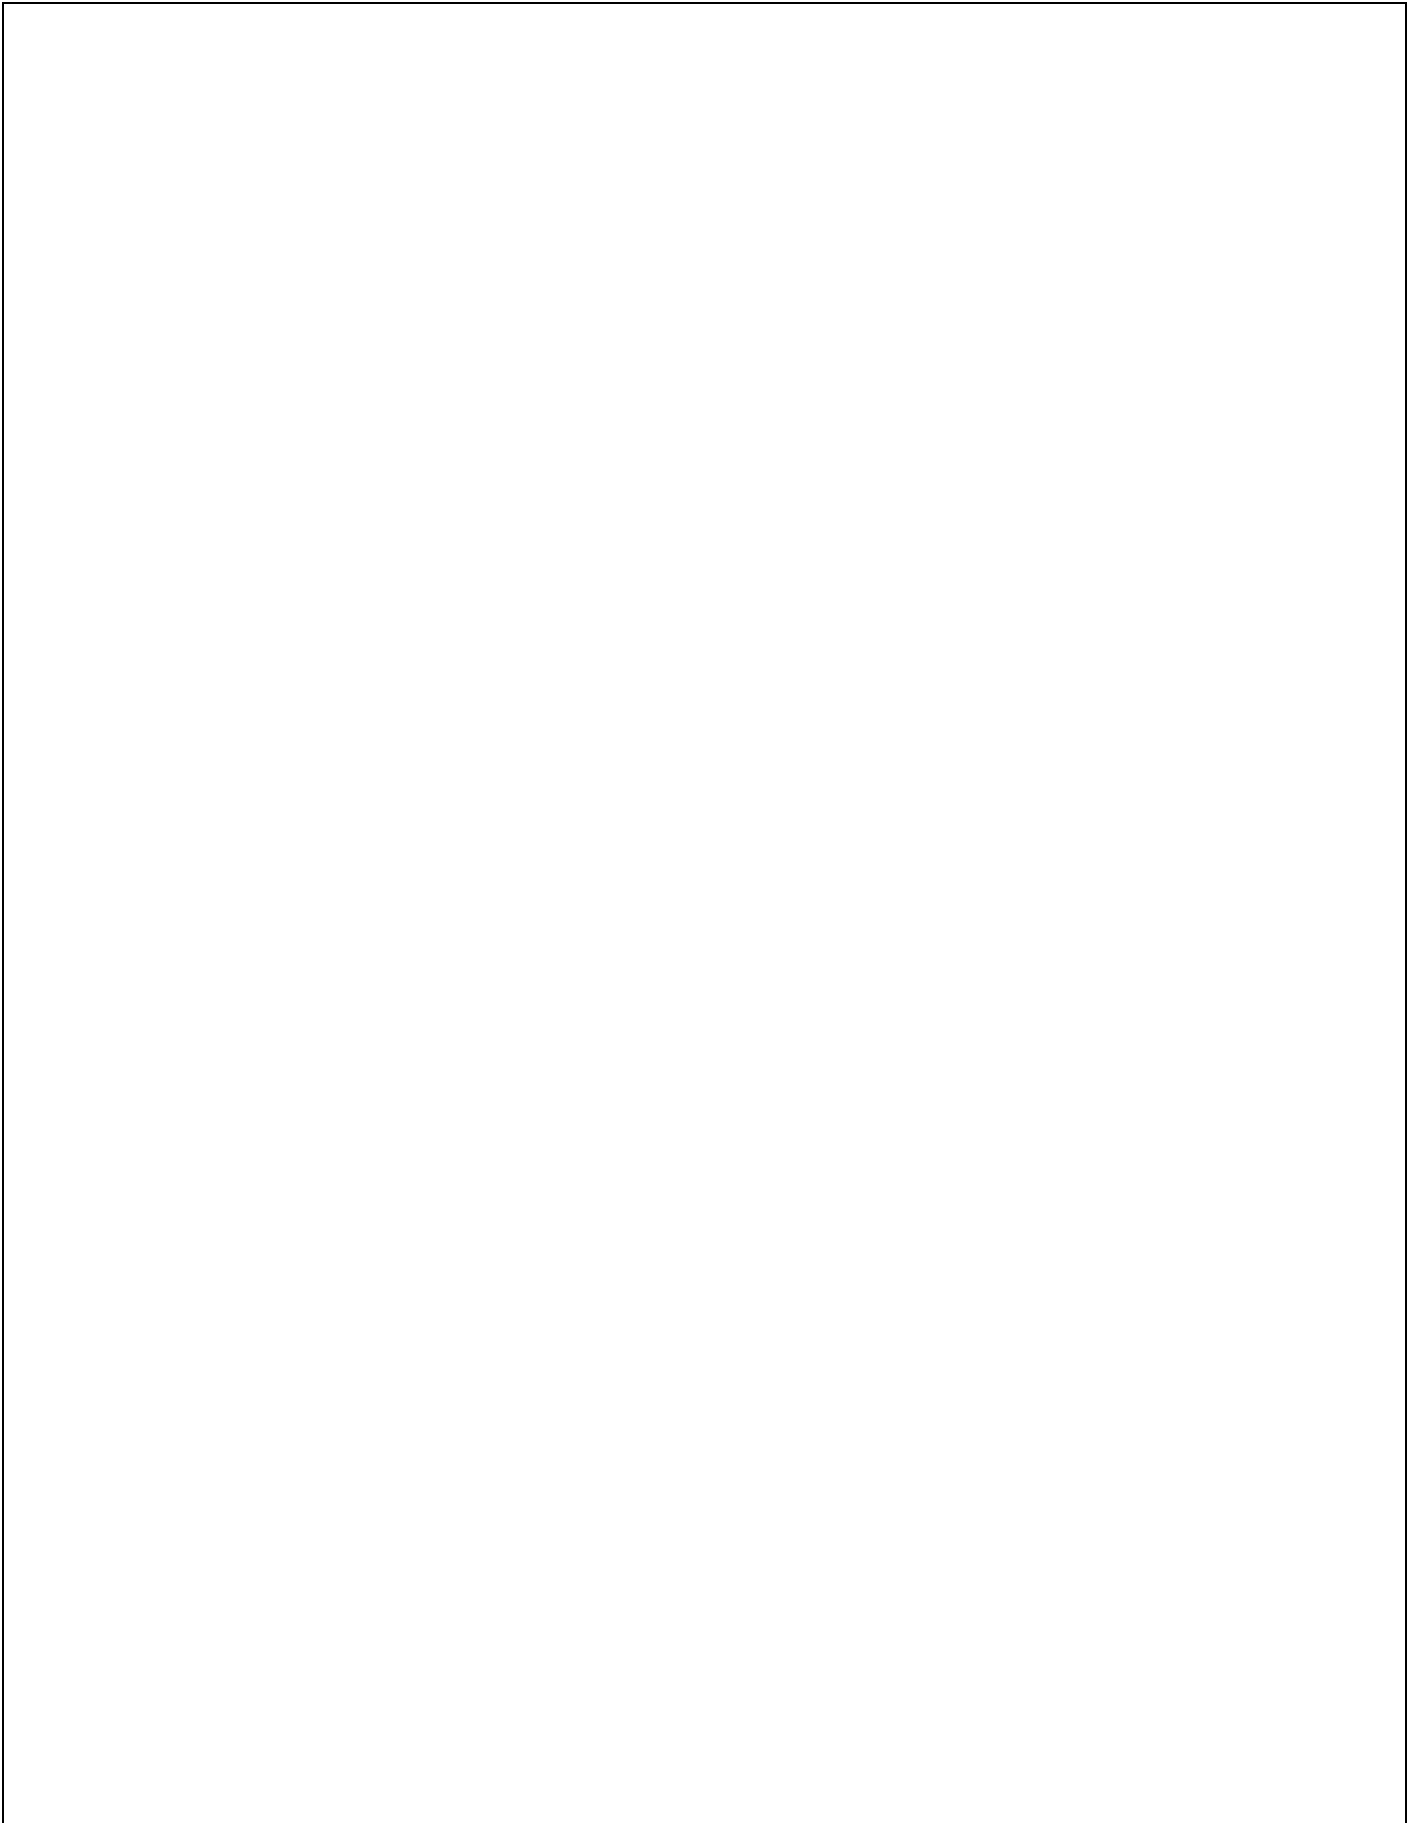

This form is required as part of your application for admission. Please complete and send it to the Graduate Studies and Research Office at educgrad@queensu.ca before January 15. The Admissions Committee will not review your application until it is received.

Surname: Other Names:

Applicant's ID Number: Email:

Prior to submitting an application, the applicant is required to contact one or two potential doctoral supervisors within the Faculty of Education at Queen's University to obtain their agreement to supervise his/her proposed research if successful at gaining admission.

Please provide a brief research proposal, two page maximum not including references. Your Research Proposal will be read and ranked as part of your overall academic and professional candidate rating. Please provide the following: a) an outline of your proposed research with reference to relevant literature where possible), b) your proposed research question(s), c) methodology, d) a description of how your proposed research will fit with and extend that of your prospective supervisor, and e) an explanation of how your academic aims can be realized in the Faculty of Education at Queen's (e.g., faculty mission and vision).
