

Duncan McArthur Hall Expansion Project

What you need to know

Where to Park [Blue]:

During Phase 1 of construction, the south parking lot will be unavailable. There is parking available on the north side of Duncan McArthur Hall. Pay and display will be available through the Honk app.

Construction Zones [Green]:

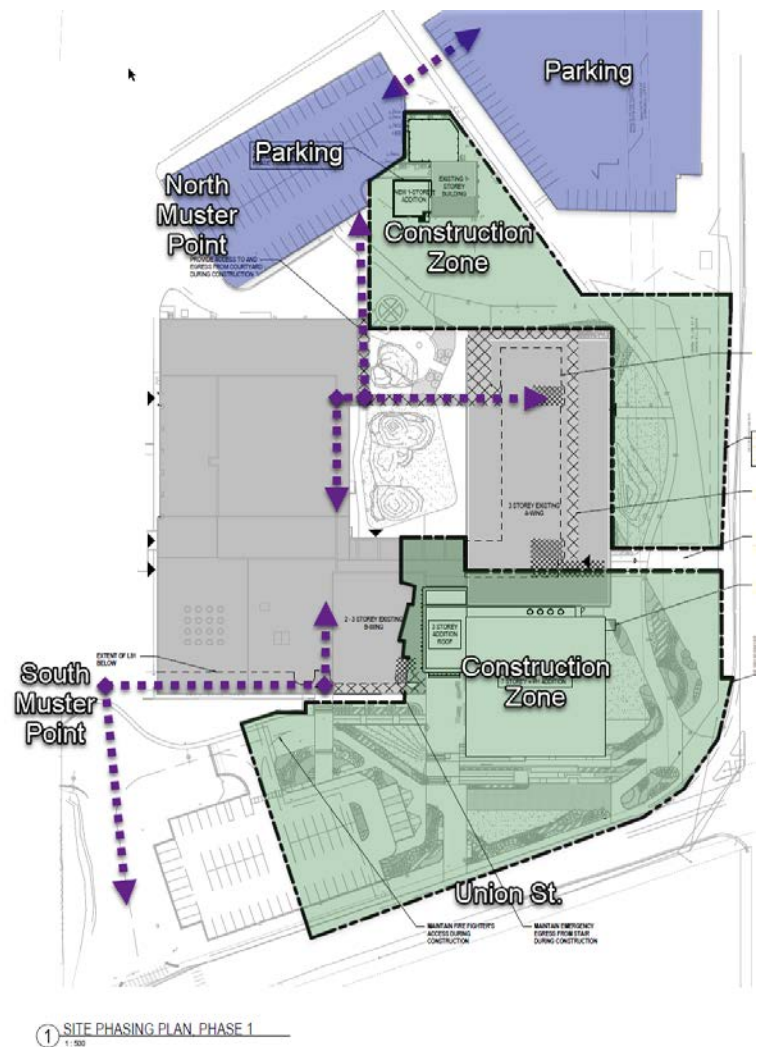

Construction zones will be clearly marked, and walls will be constructed to ensure there are clear access boundaries. Access to these areas will be prohibited.

Safe Access [Purple]:

Ramps will be constructed to make a safe accessible pathway on both the north and south side. The main entrance will no longer be available. Additional automatic door openers will be provided to ensure there is accessible access from both the north and south. The elevator will remain available for the entire project.

Safe Exiting:

All stairwell exits will be available in the event of an emergency. If an emergency does occur, exit the building safely and proceed to either the north muster point in the north parking lot, or the south muster point in front of Jean Royce Hall.

Project Schedule

Phase 1

During this phase a 7-Storey LEED Gold structure will be constructed.

This construction will include:

- A new 3-storey atrium and main entrance
- A new café
- A new accessible southern landscape
- A new multi faith space
- Semi-private student study pods
- 2 additional modern large classrooms
- A new geothermal field along Sir John A MacDonald Blvd

Phase 1 Schedule

<i>Construction Set-Up:</i>	June 6, 2022
<i>Construction Start:</i>	July 4, 2022
<i>Start Moving In:</i>	November 10, 2023
<i>Construction Complete:</i>	November 24, 2023
<i>Move-in complete:</i>	December 31, 2023

Global Lounge

ITEP Student Lounge

Atrium & Café

New Public Spaces

Phase 2

This phase will focus on renovating the first floor of A-Wing. It will focus on student life, ensuring that student areas are more available and accessible.

This construction will include:

- 4 new classrooms
- An updated and modern student street
- Modern new areas for student facing administration
- An updated Paul Park courtyard
- A new outdoor teaching circle
- A new global student lounge
- A new Indigenous student lounge

Phase 2 Schedule

<i>Construction Start:</i>	January 1, 2024
<i>Start Moving In:</i>	November 8, 2024
<i>Construction Complete:</i>	December 6, 2024
<i>Move-in complete:</i>	December 31, 2024
