

The Canadian Province of the Sisters of Our Lady of the Missions
(RNDM) in collaboration with the Centre Du Patrimoine and the
University of Toronto Press invite you to the launch of a history of
the RNDMs in Canada

The Sisters of Our Lady of the Missions: From Ultramontane Origins to a New Cosmology

by Rosa Bruno-Jofré

At the launch, Dr. Bruno-Jofré will read from her book and respond to questions.

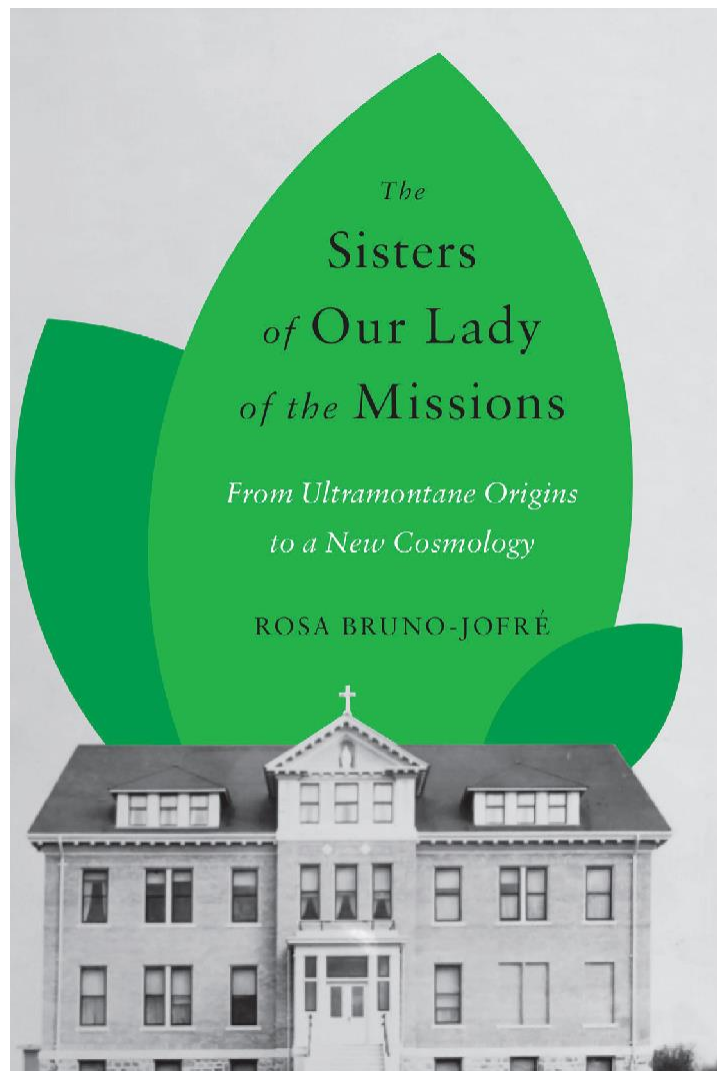

This will be followed by musical presentations and a light supper.

There will also be an opportunity to engage with the All Beings Confluence - an art installation which is "a point of hope ... for the planet and a celebration of who we are together."

Copies of the book will be available for purchase.

This is a free event, and registration is required. If you are able to attend, please let us know by Friday September 23rd, 2022 by registering through Eventbrite:
