

Book Clubs for Inmates

Transforming lives,
one book at a time.

"The Book Club is an enormous source of intellectual and social – sometimes even spiritual – inspiration to both myself and the many others who attend. It is an oasis we get one day a month. I have watched men in that group realize their potential to analyze and reflect that I don't know if they even realized they had."

- INMATE AT COLLINS BAY INSTITUTION

Volunteer Needed in Kingston, ON
