

# Consider an Alternative Practicum with the Boys and Girls Club

ALT  
PRAC  
2019

## What is the Boys and Girls Club?

### Our Mission

The mission of all Boys and Girls Clubs in Canada is to provide a safe, supportive place where children and youth can experience new opportunities, overcome barriers, build positive relationships and develop confidence and skills for life.

### Core Values

In the Clubs work with children, youth, families and the community we share with our national parent organization, the Boys and Girls Clubs of Canada, a set of core values that guide both our long-term strategic direction, as well as our day-to-day operations and interactions. These Core Values are the standard by which all Boys and Girls Club services are measured.

## What role can you play?

B.Ed. teacher candidates will:

- Provide program support during our March Break Camp and during our after-school program
- Assist in the creation of hands-on programs that have a link to Ontario Curriculum Documents; these programs are delivered in an after school setting and therefore require a creative mind to engage our members.
- Develop diverse behaviour management techniques while working with children and youth aged 3-18
- Use personal interests and experiences to deliver new learning opportunities to our members (e.g., Hip hop dance, zumba instruction, chess club, magic club etc)
- Explore STEM concepts through our Bricks 4 Kidz program – we learn, we build, we play with Lego Bricks

## How can you apply?

To apply for this Alternative Practicum Opportunity, please submit a cover letter stating why this position is of interest to you, and a recent resume to the Queen's Education Community Outreach Centre, at the e-mail address provided.
