

## **Ten Little Rabbits**

Virginia Grossman & Sylvia Long

One lonely traveler riding on the plain  
Two graceful dancers asking for some rain

Three busy messengers sending out the news  
Four clever trackers looking for some clues

Five wise storytellers trying to keep warm  
Six nimble runners fleeing from a storm

Seven merry mischief-makers playing hide and seek  
Eight patient anglers fishing in a creek

Nine festive drummers beating on a drum  
Ten sleepy weavers knowing day is done
